

UNIVERSITY OF CALICUT

Abstract

Faculty of Engineering – Regulations of B.Arch Degree Course – implemented – with effect from 2012 admissions - Orders issued.

GENERAL AND ACADEMIC BRANCH – IV ‘E’ SECTION

No.GAIV/E1/1439/2011

Dated: Calicut University P.O., 14.06.2012.

- Read: 1. Minutes of the meeting of Board of Studies in Architecture held on 01.02.2011.
2. Letter from the Dean, Faculty of Engineering dated 12.12.2011.
 3. Minutes of the meeting of Board of Studies in Architecture held on 21.02.2012.
 4. Minutes of the meeting of the Faculty of Engineering held on 24.02.2012 (item No.11)
 5. Minutes of the meeting of the Academic Council held on 24.03.2012 (item No.11E).

ORDER

As per paper read as (1) above, the Board of Studies in Architecture at its meeting held on 01.02.2011 discussed the various aspects pertaining to the course Regulations of B.Arch Course to be implemented for 2011 admission.

The Dean, Faculty of Engineering vide paper read 2nd, noted few discrepancies in the Course Regulations and had modified/corrected the Regulations with a request to place the same in the meeting of Board of Studies in Architecture for finalization.

As per paper read as 3rd, Board of Studies in Architecture at its meeting held on 21.02.2012, discussed the modified/corrected version of the course Regulations of B.Arch degree course for 2012 admissions onwards, forwarded by the Dean, Faculty of Engineering and resolved to approve it.

Vide paper read as 4th above, the Faculty of Engineering at its meeting held on 24.02.2012, vide item No.11 unanimously approved the resolution of the Board of Studies in Architecture held on 21.02.2012, which was approved by the Academic Council at its meeting held on 24.03.2012, as per paper read as 5th above.

Sanction has therefore been accorded for implementing the course Regulations of B.Arch degree course with effect from 2012 admissions (the course Regulations has been uploaded in the University website).

Orders are issued accordingly.

University of Calicut

Course Regulations
of
B. Arch. Course
(With effect from 2012 admissions)

1) Conditions for admission

Candidates for admission to the B.Arch degree course shall be required to have passed the Higher Secondary Examination of State Board of Kerala or examination recognized equivalent by University of Calicut, with Mathematics as a subject, with minimum 50% in aggregate. A candidate who has a diploma in engineering awarded by the State Board of Technical Examination or an examination recognized equivalent by the State Board of Technical Education after undergoing regular course of 3 years in an institute approved by AICTE, securing 50% aggregate marks, shall be eligible to be admitted to the first year B.Arch. programme of the University of Calicut. Candidates with International Baccalaureate Diploma, after 10 years of schooling, with not less than 50% marks in aggregate and with Mathematics as compulsory subject of examination are also eligible. A relaxation of 5% marks in the qualifying examination will be allowed to those candidates who belong to the communities listed under the Socially and Educationally Backward Classes (SEBC) and whose annual family income is up to the specified limit. SC/ST candidates need only a pass in the qualifying examination.

All Admissions to B.Arch. degree course shall be subject to passing of National Aptitude Test in Architecture (NATA) conducted by the Council of Architecture (as per the guidelines of Council of Architecture, India). There is no provision for lateral admission to the second year or at any stage for the 5 year degree course in Architecture.

Criteria for selection and method of admission to merit/management seats for B.Arch. degree courses conducted by Government/Aided/Self-financing colleges affiliated to University of Calicut shall be governed by the rules/regulations framed by the Commissioner of Entrance Examinations or other competent authority appointed by the Government of Kerala, in consultation with the University. In all matters related to selection and admission, the decisions of the University shall be final. The students admitted by affiliated colleges violating the above regulations will not be eligible for registration to University Examinations and contravention of the regulations shall lead to withdrawal/suspension of affiliation.

2) Duration of the Course

- a) The course for the B.Arch. Degree shall extend over a period of 10 semesters including 2 semester practical training after the completion of the 6th semester B.Arch. examination and 1 semester (6 months) thesis work after the completion of the 9th semester B.Arch. examination. First and second semesters of the B.Arch. course shall be combined.
- b) The maximum duration permissible for taking the B.Arch. degree course is fixed as 10 years.

3) Eligibility for the Degree

Candidates for award of the Degree of Bachelor of Architecture shall be required to have undergone the prescribed course of study in an Institution maintained by or affiliated to the University of Calicut for a period of not less

than 10 semesters (including Practical training and Thesis Project) and to have passed all the Examinations specified in the B.Arch Degree curriculum.

4) Subjects of Study and Course Calendar

The subjects of study, both theory and practical, shall be in accordance with the prescribed scheme and syllabi.

The course calendar, published by the University, shall be followed by all affiliated colleges. Within a week after the commencement of classes of each semester, Head of each Institution should forward the list of faculty members working in the college along with their qualification and years of teaching experience, to the University. This is a mandatory requirement which should be strictly followed by Head of each Institution. Head of each Institution shall ensure the availability of sufficient number of regular faculty members in the institution, as per the norms of Council of Architecture.

5) Evaluation

Candidates in each semester will be evaluated both by continuous assessment (C.A.) and End-Semester University examinations. The individual maximum marks allotted for continuous assessment and End-Semester University examinations for each subject is as prescribed by the scheme of study.

a) Continuous Assessment

The marks awarded for the continuous assessment will be on the basis of the day-to-day work, periodic tests (minimum two in a semester) and assignments/class projects/group discussions/quiz/literature survey/seminar/term-project, etc (minimum two). The faculty member concerned will do the continuous assessment for each semester. The C.A. marks for the individual subjects shall be computed by giving weightages as given below.

All subjects of the B.Arch. Degree Course excluding Dissertation, Practical Training, Thesis and Viva Voce are grouped into two. Continuous assessment marks shall be awarded as per the following norms for each group.

Group I

Basic Design, Architectural Designs I, II, III, IV, V, and VI, Building Materials and Construction - I, II, III, IV, V and VI, Architectural Drawing and Graphics, Architectural Graphics I and Architectural Graphics II, and Interior Design.

| | |
|--|-------|
| Assignments/other measures as specified above - 70%, | |
| Test(s) | - 20% |
| Regularity | - 10% |

Group II

All subjects other than mentioned in Group I.

| | |
|---|--------|
| Assignments/other measures as specified above - 30% | |
| Test(s) | - 60%, |
| Regularity | - 10% |

- i) The C. A. marks allotted for regularity for all subjects shall be awarded full only if the candidates have secured the 90% attendance in the subject. Proportionate reduction will be made in the case of subjects in whom he/she gets below 90% of the attendance for the subject.
- ii) The C.A. marks obtained by the students for all subjects in a semester are to be published in the college 10 days before sending it to the University so as to enable the students to report any corrections.
- iii) The Practical Training, the Dissertation Thesis and Viva Voce, Jury for Basic Design, Architectural design I to VI, Tour, Documentation, shall be conducted as per the guidelines given in Section 17.

b) End-Semester Examinations

- i) There shall be University Examinations at the end of combined first and second semester and at the end of every semester from 3rd semester onwards in subjects as prescribed under the respective scheme of examinations for B.Arch. Degree course except practical training.
- ii) Examinations for all subjects (Theory, Drawing, Architectural Design Jury and Thesis Viva Voce,) will be conducted by the University.
- iii) The examination will be held twice in a year - April/May session (for even semesters) and October/November session (for odd semesters); failed or improvement candidates will have to appear for the End- Semester examinations along with regular students. The combined 1st and 2nd semester is reckoned as equivalent to an even semester for the purpose of conduct of examination and the University examination will be held during April/May. However, 9th and 10th Semester examinations will be conducted in both the sessions.

6) Credit System

Each subject shall have a certain number of credits assigned to it depending upon the academic load and the nature and importance of the subject. The credit associated with each subject will be shown in the prescribed scheme and syllabi. Each course shall have an integer number of credits, which reflects its weightage.

7) Grading

The university shall award the letter grade to students based on the marks secured by them in both internal assessment and end-semester examinations taken together in the subjects registered. Each letter grade indicates a qualitative assessment of the student's performance and is associated with a specified number of grade points. The grading system along with the grade points for each grade, applicable to passed candidates is shown below. All passed candidate will be allotted a grade S, A, B, C, D, or E according to the total marks scored by him/her.

If a candidate does not a pass a subject as per the conditions given in Section 8, he/she will be assigned an Unsatisfactory grade 'U' irrespective of his/her total marks. If a student does not pass a subject in two attempts, the

maximum grade he/she can get is 'C' when he/she passes the subject in any subsequent examination, whatever be the marks scored by him/her.

A student is considered to have completed a subject successfully and earned the credits if he/she secures a letter grade other than 'U' in that course. Letter grade 'U' has zero grade point and the candidate has to write the examination again to improve this grade. A student's performance is measured by the number of credits that he/she has earned and by the cumulative grade point average (CGPA) maintained by him/her.

| Total % of marks scored by the passed candidate, rounded off | Corresponding Grade allotted | Grade Points |
|---|-------------------------------------|---------------------|
| 86- 100 | S | 10 |
| 76-85 | A | 8.5 |
| 66-75 | B | 7.5 |
| 56-65 | C | 6.5 |
| 46-55 | D | 5.5 |
| 40-45 | E | 4.5 |

Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

- (a) A Semester Grade Point Average (SGPA) shall be computed for all the students for each semester, as follows:

$$SGPA = \frac{\sum_{i=1}^n C_i G_i}{\sum_{i=1}^n C_i}$$

where, n is the number of subjects registered during the semester, C_i is the number of credits allotted to i^{th} subject as per the scheme, and G_i is the grade points corresponding to the grade awarded to the student for the subject.

- (b) A Cumulative Grade Point Average (CGPA) shall be computed for all the students at the end of each semester by taking into consideration their performance in the present and the past semesters as follows:

$$CGPA = \frac{\sum_{i=1}^m C_i G_i}{\sum_{i=1}^m C_i}$$

Where, m is the number of courses registered up to that semester, C_i is the number of credits allotted to i^{th} subject as per the scheme, and G_i is the grade points corresponding to the grade awarded to the student for the subject.

An up-to-date assessment of overall performance of a student is obtained by calculating CGPA. CGPA is weighted average of the grade points obtained in all the subjects registered by the students since he/she entered the B.Arch. course.

- (c) Both the SGPA and CGPA shall be rounded off to the second place of decimal and recorded as such for ease of presentation. Whenever the CGPAs are to be used for the purpose of determining the merit ranking in a group of students, only the rounded off values shall be made use of.

8) Minimum for a Pass

A candidate who secures not less than 40% marks in a subject at the End-Semester examinations and (b) not less than 50% of the total marks assigned to the subject, shall be declared to have passed the examination in that subject.

OR

A candidate who secures in end-semester examination itself, 40% of the total marks assigned to a subject shall also be declared to have passed the examination in that subject.

The total marks assigned to a subject in the above calculations is the sum of maximum marks assigned to the End-Semester University examination and maximum C.A. marks of that subject. Candidates will be assigned grades according to the marks scored.

- Candidates shall secure 40% of marks in the external jury and 50% aggregate in (C.A.+ External Jury) exam. for a pass in Basic Design and Architecture Design I to V.
- For the Practical Training undertaken after the sixth semester, the minimum marks for pass shall be 50% of the aggregate marks.
- Candidates shall secure 40% of marks in the external jury and 50% aggregate (C.A. + External Jury) for passing the thesis and Viva voce.

9) Improvement

Candidates shall be allowed to improve the grade of any two subjects of Group II (as given in Section 5-a) in each semester. This can be done only in the immediate subsequent chance. If the candidate gets more marks in the improvement chance, marks scored in the improvement chance will be considered for grading in the subject; otherwise marks scored in the first attempt will be retained. No candidate shall be permitted to improve the marks scored in Group I subjects and C.A.

10) Attendance

A candidate shall be permitted to appear for the End- Semester examinations only if he/she satisfies the following requirements:

- (a) He/she must secure not less than 75% attendance in the total number of working hours in each semester.
- (b) He/she must earn a progress certificate from the head of the institution stating that he/she has satisfactorily completed the course of study prescribed in the semester as required by these regulations.
- (c) His/her conduct must be satisfactory

It shall be open to the Vice Chancellor to grant condonation of shortage of attendance on the recommendation of the head of the institution in accordance with the following norms.

- The shortage shall not be more than 10%
- Shortage up to 20% shall be condoned once during the entire course provided such shortage is caused by continuous absence on genuine medical grounds.
- Shortage shall not be condoned more than twice during the entire course.

A candidate who is not eligible for condonation of shortage of attendance shall repeat the semester.

11) Registration for each Semester

Every candidate should register for all subjects of the End- Semester examinations of each semester. A candidate who does not register will not be permitted to attend the End- Semester examinations; he/she shall not be permitted to attend the next semester.

A candidate shall be eligible to register for any higher semester (i.e. 3rd semester onwards) if he/she has satisfactorily completed the course of study and registered for the examination of the combined first and second semesters. A candidate shall be eligible to register for the fourth to tenth semesters if he/she has satisfactorily completed the course of study and registered for the examination of the immediate previous semester. He/she should register for the semester at the start of the semester before the stipulated date.

A candidate will not be permitted to register for the 5th semester class if at the time of registration of 5th semester he/she has not secured a minimum CGPA of 2.0, considering the marks of combined first and second semesters. Similarly, a candidate will not be permitted to register for the 7th semester class if at the time of registration of 7th semester he/she has not secured a minimum CGPA of 2.0, considering the marks up to fourth semester. He/she can be permitted to register with the subsequent batch as and when he/she satisfies the eligibility condition.

As this rule for promotion is an academic prerequisite, no exemption should be granted in this case, whatever the causes. Head of institution should take necessary measures to implement this rule strictly.

12) Examination Monitoring Cell

Head of the each institution should formulate an Examination Monitoring Cell at the institution for supervising all examinations, especially the internal examinations. This cell, with a senior staff member as Convener, shall consist of minimum three members (one shall be a lady). A clerical staff having computer skills shall also be assigned for the examination monitoring cell.

The collective responsibilities of the examination monitoring cell are

- (a) Officiate as the examination squad to keep a vigil on all Semester-End examinations. If any malpractices are found/reported by invigilators, inform these to the Head of Institution along with a report about the incident. Head of Institution shall forward all such complaints to the University.
- (b) Schedule all examinations conducted as part of internal assessment of students.

- (c) To receive any complaint from students regarding issues like out-of-syllabus questions, printing mistakes, etc. of Semester-End examinations of theory and practical subjects. The cell shall investigate these complaints and if necessary forward it to university with specific comments.
- (d) To receive any complaints from students regarding internal examinations, enquire such incidents, and give a report to the Head of Institution for necessary action.

To conduct all the theory examinations, a Chief Superintendent and an Assistant Chief Superintendent should be appointed internally by the Head of Institution. At least two external Additional Chief Superintendents should be appointed by the University as Observers for conducting theory examinations in all affiliated Engineering Colleges.

13) Additional Requirements for the degree

In addition to the requirement prescribed for the award of B.Arch. degree, each student must complete compulsory social service for a total duration of 15 days during 3rd to 9th semesters of the course. A record is to be kept showing the details of social service activities undertaken and it should be approved by the Staff Advisor. Head of Institution should verify this compulsory requirement before permitting the student to register for the tenth semester.

14) Classification of Successful Candidates

- a) A candidate who qualifies for the degree passing all the subjects of the ten semesters within six academic years and secures not less than overall CGPA of 8.0 shall be declared to have passed the B.Arch. degree examination in FIRST CLASS WITH DISTINCTION
- b) A candidate who qualifies for the degree passing all the subjects of the ten semesters within six academic years and secures less than 8.0 CGPA but not less than 6.0 CGPA shall be declared to have passed the B.Arch. degree examination in FIRST CLASS.
- c) All other successful candidates shall be declared to have passed the B.Arch. Degree examination in SECOND CLASS

15) Study Tour and Documentation Camp

Students shall undertake study tours as part of architectural design and shall undertake a documentation camp in S6 as per the B.Arch. Degree Course Manual attached. The tour shall be considered as part of the working periods of the semester. The tour may be conducted taking not more than 5 working days, combined with the vacation/holidays if required. Total number of days in each tour shall not exceed 15 days.

16) Grievance Redressal Cell and Anti-Ragging Cell

Each affiliated college should setup a Grievance Redressal Cell with at least four faculty members to look into grievances of the students, if any.

Head of Institution shall take necessary steps to constitute anti-ragging committee and squad at the commencement of each academic year. The committee and the squad shall take effective steps as specified by the Honorable Supreme Court of India, to prevent ragging.

17) B.Arch. Degree Course Manual

More details about the conduct and evaluation of Basic Design and Architectural Design I to VI, Practical Training, Thesis and Viva Voce, and Study Tour and Documentation Camp for Architectural Design are discussed in this course manual.

1. BASIC DESIGN AND ARCHITECTURAL DESIGN I TO V

- a) The Evaluation of Basic Design and Architectural Design I to V is based on continuous Evaluation and End-Semester Examination conducted by a panel of Jury. The marks for the Continuous Assessment will be awarded by the staff member in charge. University shall nominate a Chairman, an external examiner and an internal examiner as panel of Jury for SIS2, S4, S6 and S9 Semesters. For other semesters the panel of jury shall be from among the faculty members of teaching institution other than the faculty member who evaluated the work for awarding the internal marks. The staff member in charge of the subject shall also be included in the panel of Jury. The External Examiner shall be from among the faculty members of other teaching Institutions or an Architect registered with the Council of Architecture, incorporated under Architect's Act 1972, with not less than 5 years experience.
- b) Students shall submit the portfolio consisting of the assignments for the subject during the course period, with the approval of the staff-in-charge of the subject. The staff-in-charge of the subject shall submit a report consisting of the details of Assignments given and its objectives and weightage given to each work, to the Chairman through the Department. The jury members (internal and external examiners together) will evaluate the portfolio on the basis of the report. Students shall be present and explain their work to the Jury members at the time of evaluating their portfolio.
- c) The pass mark for Basic Design and Architecture Design I to V is 50 % of aggregate marks (C.A. marks + Jury). For external Jury, minimum for a pass shall be 40%.
- d) The Jury members shall submit the consolidated marks to the University.

2. PRACTICAL TRAINING

a) Introduction

As per the B. Arch. Curriculum, students shall undergo two semester practical training immediately after the completion of the 6th semester B.Arch. examinations. The training shall be under a registered architect with minimum of five years experience and approved by the Dept of Architecture of the teaching institution. The duration of practical training is two semesters.

b) Selection of Firm for Practical Training.

Candidate shall select a registered architect with minimum of five years experience and approved by the Dept of Architecture of the teaching institution, in advance before the commencement of the 6th semester university examination. He should not be a faculty of the Dept of Architecture of the teaching Institution or their immediate relatives or an architect employed in the Public sector. Students can also select internationally recognized Architects practicing outside India, with the approval of the Dept. of Architecture of the teaching Institution.

c) Type of works to be carried out during training period

The students are expected to get exposure in the following aspects:

- Site visit and Site Supervision

- Preparation of drawing for getting building permissions, working drawings, service drawings, etc.
- Preparation of estimates, specifications, contract documents, and tender documents
- Discussion with clients and other consultants.

d) Monthly work report

The students are required to send copies of the monthly report of the work done to the Dept of Architecture, of the teaching institution, within one week after the completion of each month. The report shall be duly signed by the Trainer Architect or an authorized officer supervising the work.

e) Documents to be submitted after the completion of training

The students are required to submit to the Department of Architecture of the teaching institution a report including the details of their work illustrated with sketches, prints and other documents connected with the projects on which he/she has worked both in office and at site, a work diary, originals of monthly report, and a certificate regarding their conduct and performance of work done during the training period. This report shall be certified by the registered architect under whom the candidate had undergone practical training.

f) Evaluation of practical training

A two member jury from the faculty of Dept. of Architecture appointed by the Head of the Department of the institution shall evaluate the qualitative achievement of the trainee during practical training period. Head of the Department of the institution shall publish the Jury marks after the completion of the jury. Candidates who fail to secure 50% of the marks are awarded U grade, and they will have to re-appear for the jury examination in the subsequent chance.

3. THESIS AND VIVA VOCE

a) Selecting the Thesis

Students of the B.Arch. Degree course are required to prepare an Architectural Design Thesis during the last six months of the B.Arch. Degree program. Students admitted to the tenth semester shall submit choices of their thesis project within a week after the commencement of the tenth semester classes. The Head of the department of teaching institution will allot a guide for each student considering the nature of the work and specialization of the faculty member. Students shall obtain approval for the project of Thesis from the Department of the teaching Institution. The duration of the thesis will be six months from the date of commencement of the tenth semester of B.Arch. Degree Course. The project selected may be either a live architectural project or hypothetical one so that the student gets training in tackling projects similar to what he/she is likely to face in his/her professional career. The project and its programming shall be worked out by the student in consultation with the guide.

The work should include an intensive study of the topography, climate and problems concerned with design of spaces and structures. The solution of the problem must be with the integrated approach of the architect, engineer, urban designer, planner and landscape architect and this shall be reflected in the preparation of drawings and written report. Students are required to maintain a work diary of the thesis work. All students are required to schedule their thesis work and get it approved by the guide at the beginning of the

thesis work. A copy of the schedule shall be submitted to the thesis coordinator nominated by the Head of the Department.

b) Internal Evaluation

Internal evaluation of each student will be done by a three member Internal jury constituted by the Department. Guide shall be one member of the jury. The other jury members are to be constituted either from the faculty of Architecture of the Teaching College and/or from among the Architects registered with the Council of Architecture, incorporated under the architect's act 1972, with not less than five years experience.

The progress will be assessed by the jury periodically through a minimum of four stages of reviews the dates of which will be published by the Department before the commencement of the tenth semester. Each review shall be graphical (including models) and oral presentation. A candidate who fails to secure minimum E grade will have to appear for a supplementary review on the date announced by the Department of Architecture. There shall be only one supplementary review for each stage. If a candidate fails in the supplementary review, thesis project shall be repeated along with the next immediate batch.

40% of the marks for internal assessment will be awarded by the guide and the remaining 60% by the internal jury through four reviews. Each review will have equal weightage.

Review 1 - Introduction of the Thesis Topic, Feasibility studies, Basic data, Case studies/ Primary surveys, Analysis, Arriving at Inferences and Design Program. Site analysis and Conceptual development, Introduction of Special Topic.

Review 2 - Review of Previous stage, arriving at lay out plan, Sketch design for various building blocks including Floor Plans, Sections, Elevations, Views, Block Models etc.

Conformity to Relevant Standards, Bye laws etc. and Achievement of Basic Objectives of Architectural Design. Further studies on Special Topic.

Review 3 - Review of Previous stages, Final Layout, Final Design for various building blocks through relevant Plans, Sections, Elevations, Views etc. Details of Building and Site Services, Site Planning and Landscape schemes. Preparation of relevant Detailed Drawings. Application of Special Topic in the design scheme. Preparation of Draft Report.

Review 4 - Preview of Final stage of all finalized drawings and schemes, Structural Details, Working Details etc. Review of Final Draft of the Report.

c) External evaluation

External jury consisting one/two external examiner(s) and an internal examiner appointed by the University shall conduct the Thesis and Viva Voce Examinations. Students shall secure 40% of marks in the external jury and 50% aggregate (Internal + External **Jury**) for successfully completing the thesis and Viva voce.

d) Suggested Areas for Special Topic

- Structural drawings supported with detailed calculation
- Detailed estimates and specifications.
- Building construction techniques and the details of the use of new materials

- Equipment and design of any one building service like air conditioning, Electrification and illumination, sanitation and water supply or acoustics
- Furnishings, fittings and finishes
- Climatic research and its applications
- Or any other topic approved by the teaching institution

e) Documents to be submitted for the Jury

Two copies of the Data Collection in the preliminary design stage (up to the design and including the case studies) shall be compiled and presented along with the final submission in A3 size format. Two copies of the Final Report shall be submitted on the date and time announced by the Dept. of Architecture of the Teaching Institution. The total number of design sheets for final submission shall not exceed 30 (thirty) A1 size sheets. Models are to be submitted at the time of Viva voce examination. The format and other instructions regarding the schedule of reviews, preparation of the bound volumes of Data Collection, Final Report, Final Sheets, Model, etc. will be announced by the host department.

4. STUDY TOUR AND DOCUMENTATION CAMP FOR ARCHITECTURAL DESIGN.

a) Study Tour

The study tour for visiting important places of Architectural interest shall be conducted as part of Architectural Design and shall officially be accompanied by the faculty members. Maximum number of days for the study tour shall be limited to 15 days. Each student shall submit a tour report within 15 days after the tour.

b) Documentation Camp

The documentation camp shall be of maximum 7 days duration and conducted as part of Architectural Design course in 6th semester. The faculty members handling the subject shall also be present in the camp. The documentation camp consists of preparation of measured drawings of selected buildings/historic places inside and around the state of Kerala.

The originals of materials produced as part of the study tour and camp shall be submitted to the Department of the college and such materials submitted shall be the property of the Department. The study tour/documentation camp and materials produced will be treated as assignment(s).

Notwithstanding all that has been stated above, the University has right to modify any of the above regulations, syllabi or scheme of examinations from time to time, as per University rules.
